

(iii) Full disclosure of any family relationship between the owner and any security personnel. For this purpose, "owner" includes a principal or other interested party.

(iv) How residence by security personnel in a project unit will increase security for Section 8 assisted families residing in the project.

(v) The amount payable monthly as rent to the unit owner by security personnel residing in the project (including a description of how this amount is determined), and the amount of any other compensation by the owner to such resident security personnel.

(vi) The terms of occupancy by such security personnel. The lease by owner to the approved security personnel may provide that occupancy of the unit is authorized only while the security personnel is satisfactorily performing any agreed responsibilities and functions for project security.

(vii) Other information as requested by the contract administrator.

(d) *Action by contract administrator.* (1) The contract administrator shall have discretion to approve or disapprove owner's application, and to impose conditions for approval of occupancy by security personnel in a section 8 project unit.

(2) Notice of approval by the contract administrator shall specify the term of such approved occupancy. Such approval may be withdrawn at the discretion of the contract administrator, for example, if the contract administrator determines that such occupancy is not providing adequate security benefits as proposed in the owner's application; or that security benefits from such occupancy are not a sufficient return for program costs.

(e) *Housing assistance payment and rent.* (1) During approved occupancy by security personnel as provided in this section, the amount of the monthly housing assistance payment to the owner shall be equal to the contract rent (as determined in accordance with the HAP contract and HUD requirements) minus the amount (as approved by the contract administrator) of rent payable monthly as rent to the unit owner by such security personnel. The owner shall bear the risk of collecting

such rent from such security personnel, and the amount of the housing assistance payment shall not be increased because of non-payment by such security personnel. The owner shall not be entitled to receive any vacancy payment for the period following occupancy by such security personnel.

(2) In approving the amount of monthly rent payable by security personnel for occupancy of a contract unit, the contract administrator may consider whether security services to be performed are an adequate return for housing assistance payments on the unit, or whether the cost of security services should be borne by the owner from other project income.
